

NEILL

There was only one family named Neill in Blackhead. They were Thomas Neill and Bridget Moore who were married in 1851. Bridget is probably related to the other Moores in Blackhead, maybe a sibling of Thomas and John Moore.

Thomas Neill and Bridget Moore have at least 5 children between 1855 and 1865. But after 1865 there is no evidence of the family. Maybe they moved out of Blackhead.
